Since 1906, SCANGRIP has been manufacturing hand tools of very high quality for the industrial and automotive sectors. The product range comprises a series of innovative products, which are known all over the world for design, innovation and considerably user-friendliness. Due to simplification and innovation we create unique tools which make work easier and safer for our customers.

It is SCANGRIP's goal to deliver at any point the best and most innovative range of special tools. Furthermore, SCANGRIP pays attention to developing the design and functionality of the products giving the user the best conditions to perform his daily work fast, safe and efficient.

SCANGRIP is the largest manufacturer of high quality coil spring compressors in Europe, and, recently, we have established ourself as a leading supplier of work lights under the SCANGRIP LIGHTING brand.

SCANGRIP holds a strong position in the Danish market and has a 85% export share. Financially, SCANGRIP is in a very stable and strong position and is triple A rated (AAA = Credit risk zero).

SCANGRIP's products are distributed through a worldwide network of professional tool importers, distributors and wholesale dealers.

A FIRM GRIP SINCE 1906
